

Spring Dairy Expo Exhibitors

We thank you for your continued support of Spring Dairy Expo. We were very disappointed to have to cancel our event for 2020. A great deal of time, money and effort by the committee goes into making Spring Dairy Expo a great venue year after year. We appreciate your interest in participating and being a part of the event.

We are in an unprecedented time in our country's history that will have lasting educational, health and economic implications for all of us. It is our sincere hope that you and your operations are taking the necessary precautions to remain viable and so that you can join us for the 2021 Spring Dairy Expo.

The SDE committee is trying to be as fiscally responsible as we can, we are trying to recoup as much of the expenses for 2020 to be able to put towards 2021. There will be some money we cannot recover. Since all entry money has been deposited, we can write a check back to you for the amount of your entries. The link below will take you to Survey Monkey and will ask you to provide information about how you would like to handle your 2020 entry funds. They can be returned in full, returned in partial, or donated to Spring Dairy Expo. We want to have a written documentation before we start returning any funds.

Our goal is to get this wrapped up by the end of April 2020. Please complete the online form by April 20, 2020 to assist us in the matter. We understand that not everyone would be in a position to help support the future of SDE by donating their 2020 entry funds and want to get that money returned as soon as possible. We appreciate each and every exhibitor, their time and interest in this show.

Thanks for being a part of Spring Dairy Expo.

Best regards,

Spring Dairy Expo Committee
